cATERING FOR ALL OCCASIONS

BOOKING INFORMATION

The set up and staffing for your wedding will be provided by Kennedy Catering. For a high standard of service, our experience has shown that one service staff can serve 24-30 people efficiently. As a result, the total number of guests will be divided by 24 to give the correct number of service staff for your wedding. If Kennedy Catering is providing your bar needs, a bartender may be scheduled at an additional cost.

All tables will be set according to your menu selection and to your specifications. Our house linen is white with white napkins. A choice of coloured overlay for tables is available at an additional cost. Napkins will be set in wine glasses unless otherwise specified.

All tables will be set with white china and silverware. Royal Doulton china and an upgrade of silverware are available at an additional cost.

An additional charge will be applicable for our staff to cut wedding cake, open and pour wine.

Kennedy Catering offers a complimentary consultation prior to your wedding to discuss the details and to customise any accessories to your own taste. We will gladly be of support in any way we can.
